Marshalls Design Studio

Marshalls Design Studio (MDS) is where design imagination meets manufacturing mastery. Born from five decades of Marshalls Wallcoverings' legacy, MDS brings together artistry, technology, and craftsmanship to create wall and surface solutions that transform spaces into experiences.

MDS is committed to creating unique, high-quality wallcoverings using the latest technologies and premium substrates. With a strong focus on both domestic and export markets, MDS aims to redefine interior spaces through innovation, artistry, and superior craftsmanship.

We think like designers, execute like manufacturers, and deliver like a service company – seamlessly blending custom creativity with production precision. Every collection reflects our belief that walls are not just boundaries, but expressions of identity, culture, and emotion.

MDS specializes in creating designs for Hotel projects, Retail chains, Educational Institutes, Corporates amongst others. This specialization coupled with our high end digital printing infrastructure brings together mesmerizing results on the walls.

From bespoke digital murals to curated wallpaper collections, our work celebrates the beauty of design made in India, for the world. MDS is shaping the future of wallcoverings - one wall at a time.

Certified for a Greener Tomorrow

At Marshalls Design Studio, sustainability isn't just a commitment—it's a standard we uphold in every product we offer. We're proud to feature globally recognized certifications that reflect our focus on health, safety, sustainability and environmental responsibility:

Our products are certified for reduced environmental impact. The ECOLOGO® certification ensures that our materials meet stringent, lifecycle-based environmental performance standards.

We care about indoor air quality. GREENGUARD® Gold certification means our products are rigorously tested to ensure low chemical emissions, making them safe for homes, schools, and healthcare environments.

Efficiency meets performance. ENERGY STAR® certified solutions contribute to lower energy usage and reduced carbon footprint—ensuring our practices stay future-forward.

It helps identify products that meet comprehensive environmental criteria across their lifecycle—from design to end-of-life. It's a mark of eco-conscious innovation.

Children are happy people! Uncomplicated and unladen by the baggage that only comes later in life. Happiness is everywhere as perceived through the eyes of a child. It's a secluded little world of fairy tales and cartoon characters, sunshine and rainbows, imagination and fantasy.

Validate them with the canvas they yearn for. Adorn their walls with expressions of their souls. Surround them with all the happy things that float freely and limitlessly in the endless expanse of their fertile minds.

Fun Time comes to you with all the value and features that make every other Marshalls wallcovering the first choice for discerning homes. Hygienic, Washable, Fire Retardant, Safe, Energy Saving and Eco Friendly. Oh yes, Long Lasting too... They'll probably outlast your kids' childhood!

Fun Time wallcoverings for kids' rooms. Because childhood is experienced just once!
