The background of the entire image is a repeating floral pattern on a light beige background. The pattern features delicate, light-colored flowers with soft pink and purple hues, interspersed with green leaves and thin, winding stems. The overall aesthetic is elegant and classic.

*L*ife is full of inspiration. All it takes is a creative mind to recognise inspiration in its many avatars. Inspiration can come from anywhere - things of beauty and the mundane alike. If one is creative and perceptive enough, even geometry and aspects of modern living can inspire.

Marshall's presents Inspire - II - a wallcovering collection that absorbs elements from daily life and transmutes them into intriguing effects through the prism of eloquent creativity. Designs inspired by floral, damask and stripes; ingeniously mutated into invigorating patterns that lend character to your walls.

**Go ahead, add a generous dollop of inspiration to your home.
Stay Inspired!**
