# OMBRE

Your wall is your canvas. An expression of your inner self. While plain, solitary colours and tones can capture a mood, they have their limitations. However, not for you to splatter your walls with a resplendence of multiple colours, patterns or images.

Thankfully, you can now stay with solitary shades without being boring. Marshalls introduces Ombre - a designer pattern that allows a solitary colour play to stunning effect, as its tones elegantly merge into one another.

A set of fifteen contemporary shades to choose from and inscribe a distinct premium look on your walls.

Ombre from Marshalls. For those seeking understated class.
