Marshalls Design Studio

Marshalls Design Studio (MDS) is where design imagination meets manufacturing mastery. Born from five decades of Marshalls Wallcoverings' legacy, MDS brings together artistry, technology, and craftsmanship to create wall and surface solutions that transform spaces into experiences.

MDS is committed to creating unique, high-quality wallcoverings using the latest technologies and premium substrates. With a strong focus on both domestic and export markets, MDS aims to redefine interior spaces through innovation, artistry, and superior craftsmanship.

We think like designers, execute like manufacturers, and deliver like a service company – seamlessly blending custom creativity with production precision. Every collection reflects our belief that walls are not just boundaries, but expressions of identity, culture, and emotion.

MDS specializes in creating designs for Hotel projects, Retail chains, Educational Institutes, Corporates amongst others. This specialization coupled with our high end digital printing infrastructure brings together mesmerizing results on the walls.

From bespoke digital murals to curated wallpaper collections, our work celebrates the beauty of design made in India, for the world. MDS is shaping the future of wallcoverings - one wall at a time.

Enchanted Serenity

The powerful symbolism of the lotus transcends time. Often seen as a representation of good fortune, prosperity & enlightenment in Eastern cultures, the humble lotus holds great significance today as a symbol of tranquility. In a world driven by digital dopamine, the serene visual of the lotuses has a calming effect on the mind & soul, making it an ideal design element to grace private spaces. The brush strokes add texture with an artistic flair. Designed in luxurious modern tones, the wall covering is perfect for styling luxurious personal and social spaces that exude elegance, sophistication & opulence.

Anushka C Studio

Anushka Contractor is no stranger to the world of interior designing. She grew up watching her parents weave magic into their projects, and this inspired her to follow in their footsteps yet carve her own niche. At the age of 19, after graduating from the prestigious Rachana Sansad School of Design, she spent an enriching 3 and half years with sP+a in Mumbai and then moved on to her father's firm - MAN Associates. From here, she started taking up assignments on a freelance basis, including working with a fashion designer from Jakarta as a Textile Graphic Designer. This role helped her explore new facets in design that bring fresh perspectives to her interior designing projects.

Anushka C Studio is the amalgamation of a decade-long journey in interior & furniture design. Collectively we have completed more than 50+ projects at premium residential and commercial spaces.

If our designs could speak, they would talk about contemporary styles with a classic touch and eclectic patterns engulfed in bold colours that add character to even the most vanilla spaces.

The firm's ideology is that a well-designed space not only provides function, but also elicits a positive emotional response.

Sattva Sarvam

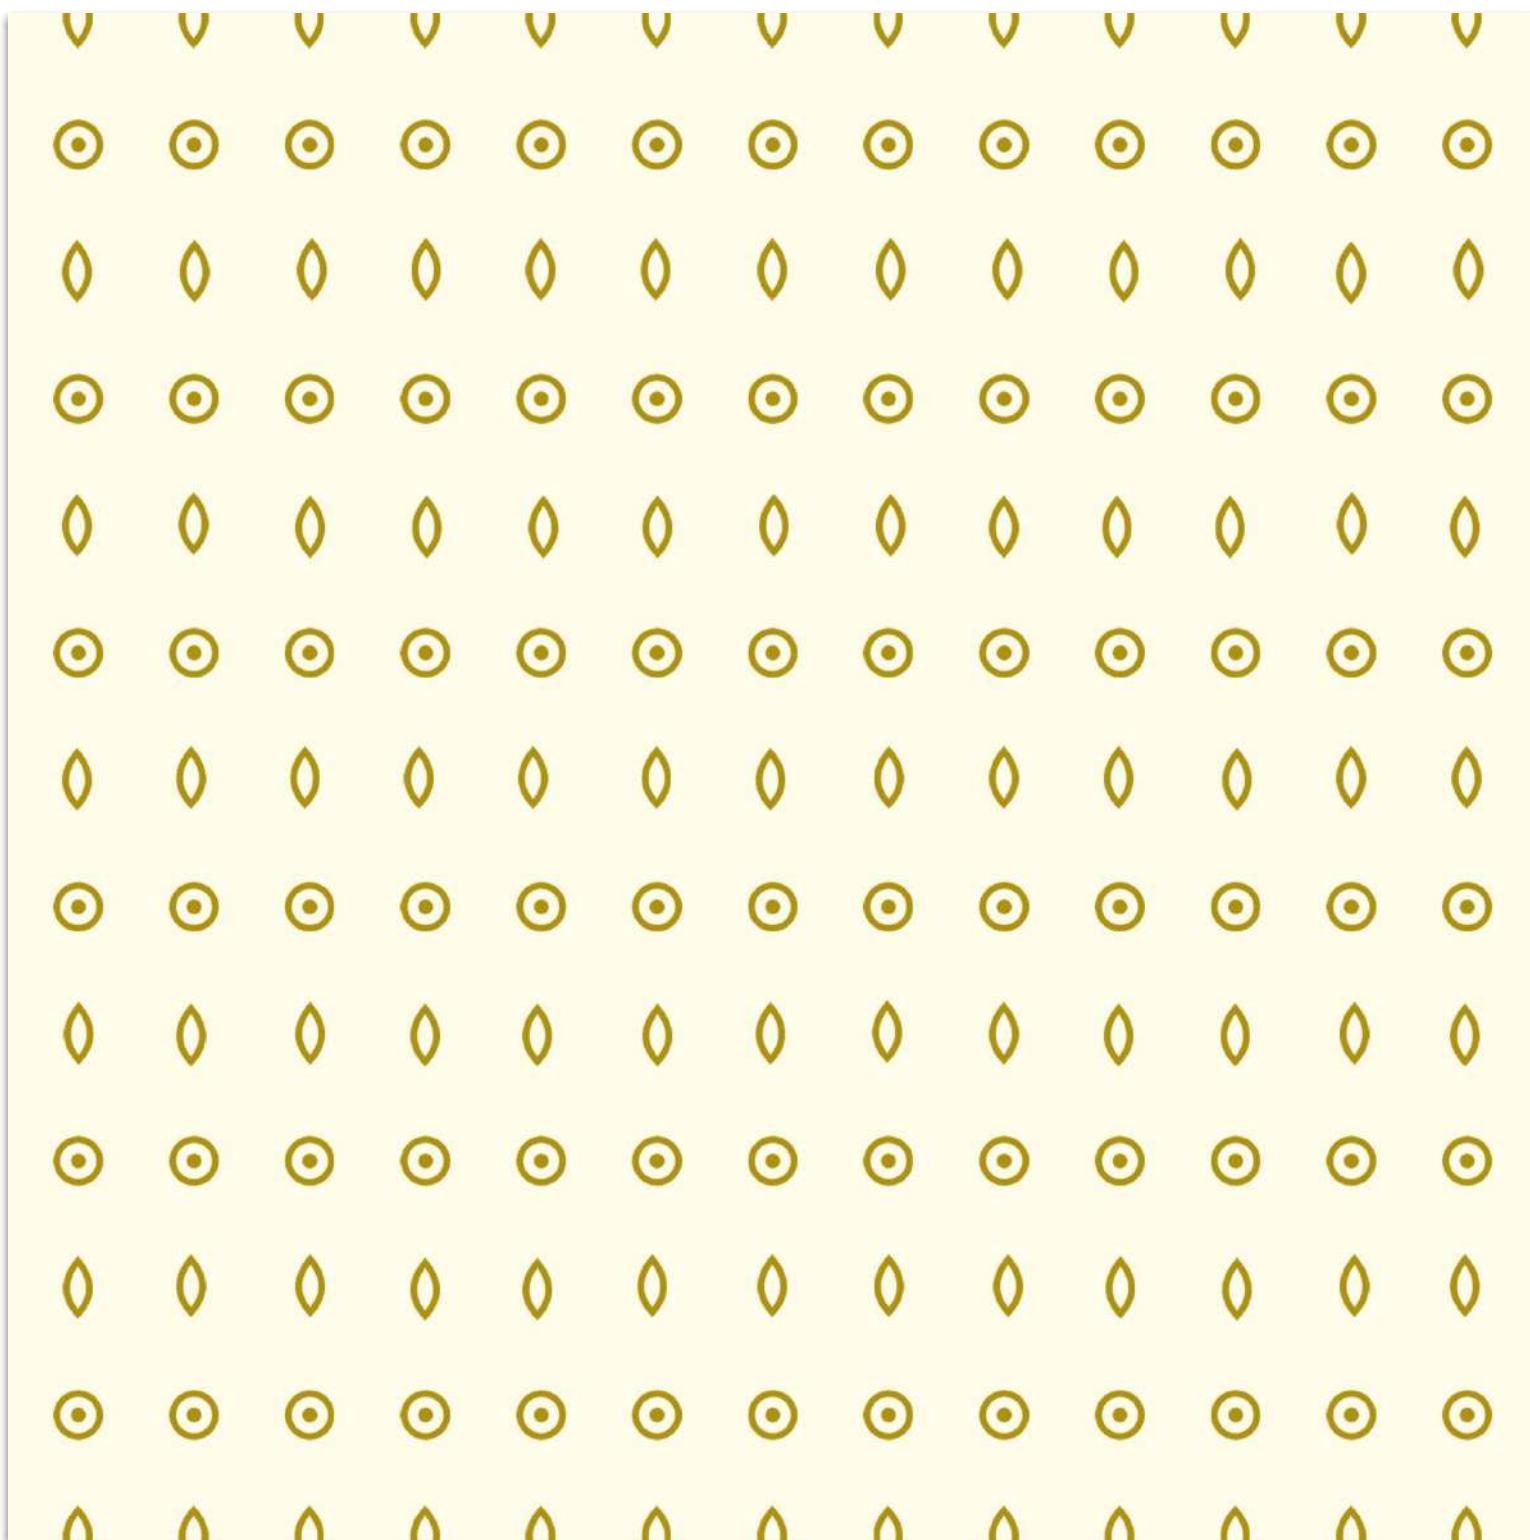

The 2 symbols on the wallpaper denote Sattva and Sarvam. Sattva is one of the three gunas in Hindu philosophy. The word means "light," "goodness" and "purity" in Sanskrit. While Sarvam encapsulates the idea that God not only created the universe, but is also present in all of it. The idea here was to create a design which symbolizes and create an energy for a positive & calm space.

Ar. Nistas Sanga
Talati & Partners LLP

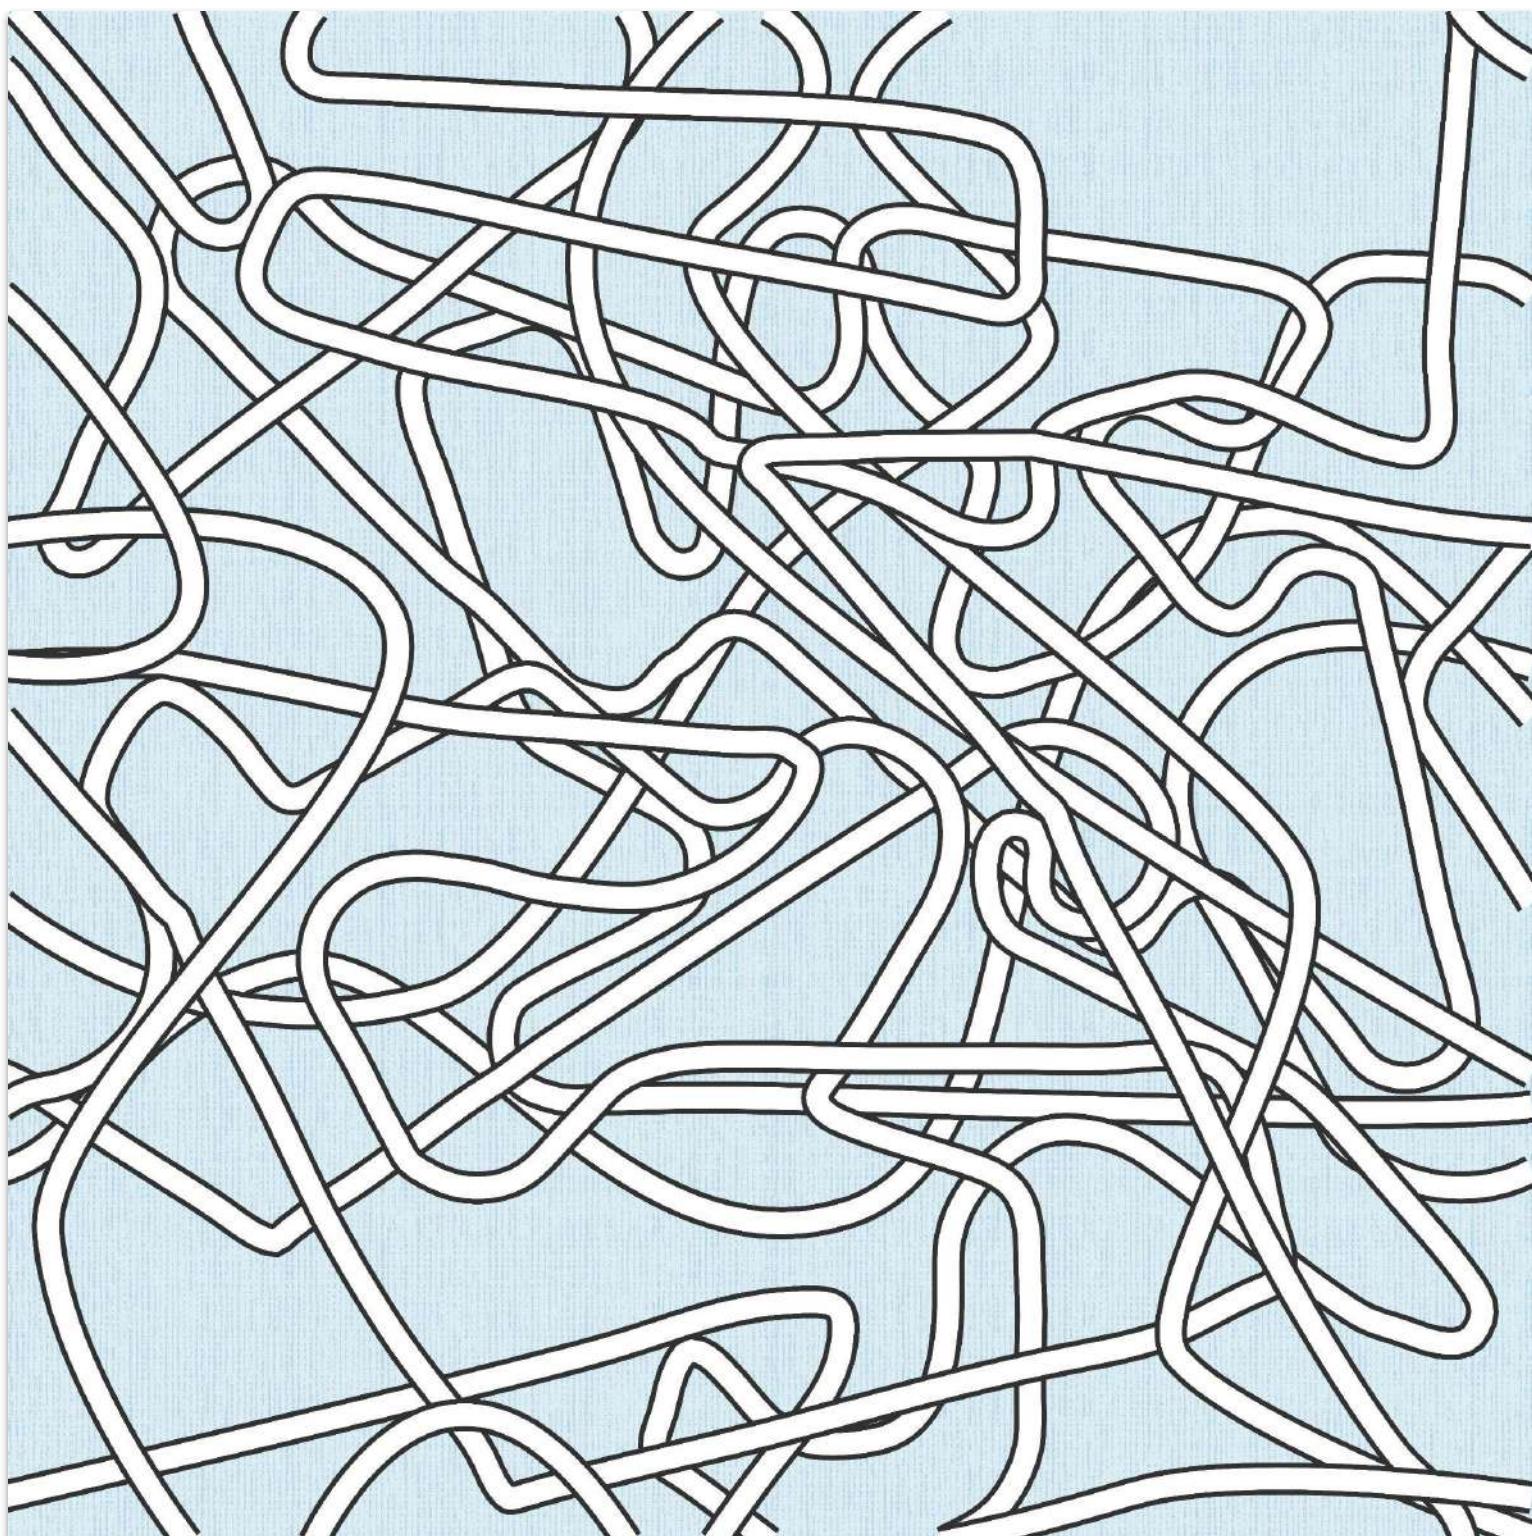

A leading and award-winning luxury design firm with a legacy of 50+ years. Talati & Partners LLP is known to provide holistic services in the domains of Architecture, Interior Design, and Construction Administration. Our philosophy "Distinction is in the Detail" helps us create bespoke designs that have a timeless appeal. Yet our focus stays on the practical considerations in equivalence to aesthetics. We strive to create works that go beyond standard practice, where they are a manifestation of conscious thinking and precise workmanship.

Let It Flow

Abstract style is defined when various elements of design are put together to create an interesting composition. When work and passion both play into my mind I divert onto creating something "in between". The inspiration for this graphic comes from the layouts of various race tracks that have been imposed to create this interesting piece. Was there someone that said work and play do not mix?

Ar. Rohini Bagla

Studio Rohini Bagla

Rohini Bagla is a professional designer and interior consultant with experience in executing a diverse range of projects, from residential to commercial, institutional to retail. She is known for her keen eye for detail, innovative ideas, and ability to create spaces that are both aesthetically pleasing and functional.

Rohini intrinsically believes in the power of minimalism. Her signature approach involves minimalistic design with strategic colour placement. Sophistication and luxury win over loud, in-your-face interiors for her. She believes in personalising her designs; each member of her team is entrenched in this philosophy. Be it changes in the civil structure or the detailing in furniture pieces or bespoke art pieces, every element is carefully curated to suit the lifestyle and personality of the client.

Ambiguous Boldness

"Ambiguous Boldness" wallpaper embraces uncertainty with confidence. Abstract forms and striking contrasts merge in a daring dance of ambiguity. This design exudes an audacious aura, inviting contemplation and evoking admiration for its fearless blend of elements. It's a testament to the power of embracing the enigmatic in a bold, aesthetic statement.

The work at GA design manifests creativity through well-choreographed architecture & interior design. From multi-family residential communities, luxury residences, redevelopment housing projects, to single-family luxury villas, workplaces and hospitality spaces, the studio's portfolio is diverse. We strive hard to achieve the most appropriate, efficient and cost-effective, yet aesthetic solution for each scale. With a commitment to design excellence, artistic innovation, and sustainability, at GA design, we create buildings, Inside-Out.

The Mandala

This wallcovering design has been loosely inspired by the Indian Mandala. Although what attracts me most to it is its radial shape with a strong inner core. For me, Wallpaper is something that takes the entire design of a space a notch higher, adding calmness as well as an aesthetic feature.
